

2016-2017 Resident Appointment Agreement

Morehouse School of Medicine (MSM) hereby offers you, [Resident Name](#), a position as a Postgraduate Year (PGY) [PGY Level](#) Resident in the [Program Name](#) Morehouse School of Medicine Residency Education Program beginning [Start Date](#) and ending [End Date](#), subject to the execution of this Agreement by all parties.

This relationship is governed by all policies and conditions required by MSM, its residency programs, and its educational affiliates (participating sites), as well as by the laws of the United States and the State of Georgia. A "Resident" is defined as a physician-in-training matriculating within a defined period of post-graduate medical education, under the supervision of faculty teachers and/or attending physicians in accordance with the educational standards for residency as defined by the Accreditation Council Graduate Medical Education – Residency Review Committees (ACGME - RRCs) and the American Board of Medical Specialties (ABMS).

1. **Responsibilities:** As a Resident, you shall abide by (i) the conditions and responsibilities set forth within all MSM policies and procedures, and (ii) the rules and regulations of the health care profession and the educational affiliates and facilities to which the MSM residency program director assigns you. You shall always be cognizant of the laws of the United States and the State of Georgia.
 - 1.1 You shall provide compassionate, timely, and appropriate patient care under the supervision of residency program faculty according to the MSM-GME **Residents Learning and Work Environment policy**, which can be found in the [GME Policy Manual](#).
 - 1.2 You shall conform to the ethical and professional standards of the medical profession and accept the duties, responsibilities, and rotations assigned by the MSM residency program director or the director's designee.
2. **Duration:** MSM Resident appointments are for a maximum of 12 months (July to June), year-to-year. You may enter the program at other times during a post graduate year, but must complete all requirements according to the goals, objectives, requirements and structure of the program.
3. **Compensation:** You will be paid in 26 bi-weekly installments based upon an annual rate of [\\$Annual Salary Amount](#). When you work less than a month for that period, compensation shall be computed on a daily rate.
4. **Conditions of Employment:** Any conditions or provisions described in this Agreement, which are dependent upon the availability of resources beyond the control of MSM or its participating affiliates, shall not be binding on MSM in the event of the unavailability or loss of these resources, except where the loss of these resources would jeopardize the continued accreditation of the MSM residency program or your education.
 - 4.1 MSM and its residency programs follow the Terms and Conditions of the Match Participation Agreement between Participating Institutions and the NRMP. Once a party has matched or a position has been offered and accepted through the Match Week Supplemental Offer and Acceptance Program (SOAP), a waiver of the binding commitment may be obtained only from the NRMP. The NRMP recommends that each program director, institutional official, and applicant carefully read the policies and procedures available at <http://www.nrmp.org/policies/>.

- 4.2.1 Be a U.S. Citizen, lawful permanent resident, refugee, asylee, or possess the appropriate documentation to allow you to legally train at Morehouse School of Medicine.
 - 4.2.2 Maintain or possess an M.D. degree from an LCME accredited medical school within the United States, Puerto Rico or Canada, a D.O. degree from an AOA accredited school of osteopathy, or an ECFMG certificate which will be valid on the day training begins.  - 4.2.5 Consent to and pass a background investigation.
- 4.3 You are subject to a criminal background check, drug screenings and other checks and examinations as required by the MSM-Human Resources Department and its educational affiliates. Failure by you to be found compliant and/or acceptable on these checks and examinations is grounds for MSM-GME terminating this Agreement. MSM reserves the right to dismiss you from the residency program if it subsequently discovers any misrepresentation, false or incomplete information or omission of facts requested during the application, interview and/or hiring process.
- 5 **Accreditation:** The Residency Program Director will inform you of the program's current accreditation status. In the event of any notice of withdrawal of accreditation by the ACGME, either voluntary or involuntary, MSM will use reasonable efforts to ensure that you are allowed to complete your mandatory period of residency education. Failing that, MSM will aggressively assist you in acquiring a position in another residency program.
- 6 **Program Requirements:** MSM, through the Residency Program Director, shall provide you with the ACGME program requirements, residency goals, objectives, expectations, policies and schedules which will provide support of your education process. Your schedule of activities shall be set in accordance with the requirements, practices, and procedures of your specialty program. It is recommended that you remain cognizant of the requirements of your particular specialty board which can be found on the American Board of Medical Specialties web site.
- 7 **Progression:** Educational standards for progression within a residency program are to be evaluated and certified by the Program Director in order for a Resident to progress to the next education level in the program. This process is outlined in the MSM-GME [Resident Promotion policy](#).
- 7.1 In the event that an adverse academic decision of non-promotion (delay) to the next Post Graduate year (PGY) or non-renewal of appointment is made by the Program Director, you will be given at least four (4) months' notice whenever possible or feasible. In the event of an adverse decision, such as suspension or dismissal, you have access to a fair, reasonable, and readily available grievance process that is described in the MSM-GME [Adverse Academic Decisions and Due Process policy](#).
 - 7.2. During the term of this Agreement, any and all grievances brought by you against MSM, including, but not limited to grievances for a breach of this Agreement, shall be governed in accordance with the procedures set forth in the MSM Human Resources policy titled [Sex/Gender Nondiscrimination and Sexual Harassment policy](#).
- 8 **Insurance:** MSM shall provide you with professional liability insurance coverage of the nature described in the **Professional Liability Insurance Coverage Letter**, attached hereto as Exhibit 1 and incorporated into this Agreement by reference. Such coverage shall be limited to your

professional educational activities which are sanctioned by MSM and which are related to, or are a part of, the residency program. This coverage shall extend beyond the completion of your residency at MSM for actions which occur during your tenure.

- 9 **Resident Benefits:** In addition to the salary, Morehouse School of Medicine shall offer you and your eligible dependents health insurance benefits. Residents are also provided disability insurance benefits, confidential counseling and psychological services, vacation, parental, sick or other leave with coverage starting the first recognized day of the training program. These offerings are administered by MSM Human Resources in accordance with the vendor programs and/or policies in force at the time of this agreement.
- 10 **Leave:** As addressed in the MSM-GME [Resident Leave Policy](#), you are cautioned that in order to fulfill the program requirements and that of the specialty certification board, it may be necessary for you to spend additional time in the program to make up for time lost while you have used vacation, sick leave, Family and Medical Leave and the various types of emergency leave, or Leave of Absence Without Pay.
- 10.1 **Resident Vacation Leave:** Residents are allotted 15 days compensated leave per academic year (from July through June). Each residency program is responsible for the administration of Residents' leave to include scheduling, granting and reporting leave to the department and the MSM-Human Resources Department. Vacation blocks shall be designed within the structure of the residency program schedules.
- 10.2 **Resident Sick Leave:** Compensated sick leave is 15 days per year. This time can be taken for illness, injury and medical appointments for the Resident or for the care of an immediate family member. Sick leave is not accrued from year to year. A combination of Sick leave and vacation leave may be used to care for oneself or an immediate family member. When these two leave categories are exhausted, any additional leave will be uncompensated (also see your program specific Resident Leave policy).
- 10.3 **Family and Medical Leave Act (FMLA):** All Residents should contact the Human Resources Department (HRD) and the Office of Disability Services and Leave Management ods@msm.edu for guidance and questions about FMLA. The program requirements and the specifications of the program specialty board apply to the time required to make up absences.
- 10.4 **Leave of Absence Without Pay (LWOP):** When possible, requests for leaves of absence without pay shall be submitted by Residents in writing to the residency program director for disposition far in advance of any planned leave. All requests shall identify the reason for the leave and the duration. Residents should discuss with the program director on the impact of leave on possible delay in program completion. The MSM-Human Resources Department shall determine the feasibility and all applicable criteria prior to a Resident being granted LWOP and shall advise both the Resident and the residency program on details and procedures.
- 10.5 **Other Leave Types:** All leave types are explained in detail in the Morehouse School of Medicine [Human Resources policy manual](#).
- 10.6 **Eligibility for Specialty Board Examination:** You should become familiar with the requirements of your specialty board as listed on the American Board of Medical Specialties (ABMS) website or on the individual specialty website. Your program administration can assist you in finding this information.
- 11 **Duty Hour Policy:** The MSM-GME [Residents Learning and Work Environment – Duty Hour policy](#) comprehensively details your duty hour requirements. Violations of this policy are not tolerated by MSM-GME or residency administration.

- 12 **Moonlighting:** Because residency education is a full-time endeavor, the residency program director must ensure that outside professional activities (“**moonlighting**”) do not interfere with your ability to achieve the goals and objectives of the educational program. At MSM, moonlighting activities are not encouraged. The decision to allow you to engage in outside professional activities rests with the residency program director, and you must gain written permission from the residency program director prior to the start of these activities. Residents are briefed on these programs by HR during incoming orientation. Residents are briefed annually on the Drug Awareness Program, Resident impairment issues and family counseling. More information regarding these programs is available in the Human Resources Department (404-752-1600) or directly (1-888-887-4114).
- 14 **Title IX Compliance:** The residency education environment shall be free of undue harassment, confrontation and coercion because of one’s gender, cultural and religious beliefs, other individual traits, and status or standing. Therefore, in compliance with the Title IX of the Education Amendments of 1972, Morehouse School of Medicine (MSM) does not discriminate on the basis of sex in its education programs and activities and is required under Title IX and the implementing regulations not to discriminate in such a manner. Also in compliance with federal law, including Title VII of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act (and ADAAA amendments), it is the policy of MSM that discrimination against any person or group of persons on the basis of race, color, national origin, religion, gender, sexual orientation, marital status, ancestry, genetic information, age, disability, veteran or military status, or any other legally protected characteristic is specifically prohibited.
